SECTION 00102

PRE-PROPOSAL CONFERENCE/SITE VISITATION

07/1998

AMENDMENT NO. 0001

PART 1 GENERAL

1.1 PRE-PROPOSAL CONFERENCE/SITE VISITATION

Invitation is extended to all prospective offerors to attend a pre-proposal conference and site visitation for the Standard Dining Facility. The pre-proposal conference has been scheduled for 9:00 a.m. on 25 May 1999 at Building [AM#1] 2640, the conference room on the second floor, Fort Sam Houston, San Antonio, Texas. [AM#1] Building 2640 is located on the southeast corner of the intersection of Scott Road and Harney Road. A site visit will immediately follow the conference.

At the pre-proposal conference, Government representatives will highlight specific design/build contract requirements not typically encountered in conventional construction procurements. The objective is to provide an information exchange between potential offerors and the Government to avoid the possibility of misinterpretation of the contract requirements. Accordingly, it is highly recommended that prospective offerors attend the pre-proposal conference and, in the interest of making the conference more meaningful, prospective offerors are urged to present any written questions concerning the project proposal documents, bidding, design and construction requirements or other related matters prior to the conference to the address shown in Block 7 of Standard Form 1442 contained in Section 00010, "Solicitation, Offer, And Award (Standard Form 1442)," ATTN: Mr. Denver Heath. Questions may also be sent via facsimile transmission prior to the conference to Mr. Denver Heath at (817) 978-4547. Written questions may be submitted at the beginning of the conference and oral questions may be submitted from the floor, but answers will be limited to the time available. Written queries need not be signed if anonymity is desired. Answers, interpretations and decisions made at the conference will not become official unless and until verified by an amendment to the solicitation issued prior to the receipt of bids.

Following the conference and pursuant to Contract Clause "FAR 52.236-3, Site Investigation and Conditions Affecting the Work," and the Site Visit Clause in Section 00100 INSTRUCTIONS, CONDITIONS, AND NOTICES TO BIDDERS, prospective offerors will be permitted to inspect the site where services are to be performed and to satisfy themselves as to all general and local conditions that may affect the cost of performance of the contract to the extent such information is reasonably obtainable. In no event will a failure to inspect the site constitute grounds for withdrawal of a bid after bid opening or for a claim after award of the contract.

Potential offerors are requested to advise as to their intent to attend the pre-proposal conference and site visitation by facsimile transmission to Mr. Denver Heath at (817) 978-4547 at their earliest convenience.
