SECTION 00102

PRE-PROPOSAL CONFERENCE/SITE VISITATION
07/1998
AMENDMENT NO. 0002

PART 1 GENERAL

1.1 PRE-PROPOSAL CONFERENCE/SITE VISITATION

[AM#2]

Invitation is extended to all prospective offerors to attend a pre-proposal conference and site visitation for this project. The pre-proposal conference has been scheduled for 9:30 a.m. on Tuesday, 20 July 1999 at the DRM Conference Room, Building 2521, Ft. Polk, Louisiana. A site visit and bus trip will be at 9:30 a.m. The question/answer portion of the conference will follow the bus tour.

At the pre-proposal conference, Government representatives will highlight specific contract requirements. The objective is to provide an information exchange between potential offerors and the Government to avoid the possibility of misinterpretation of the contract requirements. Accordingly, it is highly recommended that prospective offerors attend the pre-proposal conference and, in the interest of making the conference more meaningful, prospective offerors are urged to present any written questions concerning the project proposal documents, bidding, task order preparation, construction requirements, or other related matters prior to the conference to the address shown in Block 7 of Standard Form 1442 contained in Section 00010, "Solicitation, Offer, And Award (Standard Form 1442)," ATTN: Ms. Tongee Flemming. Questions may also be sent via facsimile transmission prior to the conference to Ms. Tongee Flemming at (817) 978-4547. Written questions may be submitted at the beginning of the conference and oral questions may be submitted from the floor, but answers will be limited to the time available. Oral questions must also be submitted in writing. Written queries need not be signed if anonymity is desired. Answers, interpretations and decisions made at the conference will not become official unless and until verified by an amendment to the contract issued prior to the receipt of proposals.

[AM#2]

Pursuant to Contract Clause "FAR 52.236-3, Site Investigation and Conditions Affecting the Work," and the Site Visit Clause in Section 00100 INSTRUCTIONS, CONDITIONS, AND NOTICES TO BIDDERS, prospective offerors will be permitted to inspect the site where services are to be performed and to satisfy themselves as to all general and local conditions that may affect the cost of performance of the contract to the extent such information is reasonably obtainable. In no event will a failure to inspect the site constitute grounds for withdrawal of a proposal after proposal receipt or for a claim after award of the contract.

Potential offerors are requested to advise as to their intent to attend the pre-proposal conference and site visitation to Breck Graves at ((318) 531-2933 (or (318) 531-2560 by facsimile transmission) at their earliest convenience.
