END OF AMENDMENT

2.3 Offeror is cautioned that "parroting" of the RFP requirements with a statement of intent to perform does not reveal the offeror's understanding of the problem or his capability to solve it. The inclusion of "filler" material from previous proposals or commercial applications shall be avoided unless it has a direct application to the objective of this RFP.

3.0 **PROPOSAL CONTENT.** Offerors shall include sufficient details in their proposal, shall present the details in the same order in which they are requested in this section to permit the Government to promptly, completely, and accurately evaluate the proposal from both a technical and management standpoint. Offeror shall identify uncertainties and assumptions within the requirement set forth in this RFP, and Offeror shall provide specific proposals for the resolution of any technical uncertainties and assumptions so identified. The Government will not make assumptions concerning the offeror's intent, capabilities, facilities, or experiences. **Clear identification of the pertinent details shall rest as sole responsibility of the offeror.**

4.0 **PROPOSAL LENGTH.** The Government recognizes that offerors go to considerable expense to prepare proposals for this RFP, so the Government prefers that the proposals be practical. Elaborate format, binders, special reproduction techniques, and the like are not necessary, nor desired. In short, proposals shall completely and adequately address the requirements as stated in the RFP. Proposal technical and management factors, Volume I of the offeror's proposal, **shall not exceed [AM #1] 7 single-sided or 35 double-sided sheets** (excluding subcontractor endorsements ~~-[AM #1] and sample project~~). Proposal legibility, clarity, coherence, and the contents will be important. Font size shall be not less than 10 point. Proposal pages shall be 8-1/2 x 11 inches in size; however, if graphics are submitted, Offerors shall reduce them only to the extent legibility is not lost. Offeror shall not submit verbatim sections of the appendices to this RFP as part of their proposal. Offers that violate these rules unnecessarily delay the evaluation process and may be rejected by the Government after the initial evaluation without receiving any further consideration.

5.0 **SUBCONTRACTOR EXPERIENCE/CREDENTIALS.** Subcontractor (A-E, Construction, and Supplier) experience/credentials will be imputed to and evaluated as part of the proposal if they (the subcontractors and their experience) are identified in the proposal **and** if the respective subcontractors have provided the prime contractor with firm written commitments (also included in the proposal) to undertake performance as a subcontractor for the prime contractor under any contract that may be awarded as a result of this RFP. **Positive ratings will not be given for a proposed subcontractor without the written commitment.**
